- According to the faculty members, the subjects in the syllabus are consequent for the personality development of the students.
- Repetition of the topics should be avoided. As some topics are included in practical & theory papers.
- Science syllabus should be more practical than theoretical.
- Some Skill courses are included in CBCS pattern for science faculty are more appreciable.
- In the world of Privatization, student must learn the skills which are associated with corporate world. To keep this in mind, faculty members suggested that, in Skill English paper topics like Newsletter writing, Brochure writing, e-Book writing must be included.
