4.3.1: Institution frequently updates its IT facilities and provides sufficient bandwidth for internet connection

Response

The college upgraded its IT facilities including Wi-Fi as per the needs and requirements during the last five years. The college has upgraded internet connection bandwidth from, 200 Mbps till 3300 GB. The college has updated its IT facilities with increasing the number of computers, scanners, interactive LCD projectors, photocopy machines. Online admission, online examination form submission, online marks verifications; online redressal etc. facilities are available on university website. Institute has dynamic website <https://www.kampsrcollege.org.in>. The teaching and learning process is enhanced through ICT tools such as computers, laptops, projectors etc. e-resources; are made available to the learners to enhance learning capabilities. The students, teachers and non teaching staff are also encouraged to use various academic and administrative softwares which are available on university website.

Old computers, printers and xerox machines have been written off, and replaced with new ones from time to time. Up gradation in ICT services, Internet Line connectivity and hardware improvement has been taken care of. The lease line connectivity was also upgraded 10 to 200 MBPS.

The List of Total Computer, Certificate from BSNL attached herewith for ready reference.
